NOVEMBER 2022 NEWSLETTER

What does AARP say about church?!

“MEET, PRAY, LOVE”

While we're not sure whether churchgoing makes you happy or whether happy people tend to be religious, research shows that people who belong to a faith-based community – regardless of religion – and attend services more than once a week live as many as seven years longer than people who don't.

Plus, churchgoers are less likely to engage in risky behaviors such as drug and alcohol abuse, are satisfied with less money and have less stress and a built-in social network.

If you belong to a faith community, you'll benefit even more if you volunteer. If you don't belong to one, seek new places of worship that suit your current values and beliefs.

In other words. . . they count their blessings.

**Join us some Sunday at 9:15am for Wired Word Bible Study
followed by Morning Worship at 10am.**

We even have places for you to volunteer.

Reminders, Notes, Tips

- We are coming into colder weather, please dress your child accordingly. We still take them outside to play.
- Cal Sports comes once a month to engage our children ages 2-5 in physical fitness activities. They need to wear sneakers for safety and mobility.
- Please make sure all your child's belongings are labeled with your child's name.
- We are coming into cold and flu season. If your child is sick, please keep them home. If they have fever, they must be fever free for 24 hours without medicine before they can return to Friendship House.
- We send all bedding and paperwork home on Friday's, please check their bag for important information and wash all bedding before sending it back on Monday.

New Happenings - We will be having a Thanksgiving feast for all the children and staff on Wednesday November 16, 2022, at 11:30am. The plan is to serve a family style meal and have everyone in the same room to eat together.

A FEW TIPS ON HOW TO BE HAPPY!

1. Make up your mind to be happy. Learn to find pleasure in simple things.
2. Do the things you enjoy doing but stay out of debt.
3. Do what you can for those less fortunate than yourself.
4. Keep busy at something. A busy person never has time to be unhappy.
